

### QTXE Series

Ultra quiet; the most stylish options for your home.

The QTXE line represents the ultimate in bath fan solutions for today's homes. Whether you select a fan or a fan-light version, the QTXE line brings simple elegance to any bath or powder room. The QTXE series is among the quietest available and provides just the right amount of ventilation and light at the touch of a switch.

- Energy Star qualified performance and nearly silent operation
- Housing features mounting ears plus adjustable hanger bars
- Plug-in permanently lubricated motor - engineered for continuous operation
- cUL and UL listed for use over bathtubs and showers when connected to a GFCI protected branch circuit
- Resilient anti-vibration motor mounts
- Dynamically balanced centrifugal blower wheel for quiet, efficient performance
- Rugged steel construction with sturdy four-point mounting directly to joist
- 6" round duct connector
- Includes unique spacers (patent pending) for mounting to engineered "I" joists
- Suitable for 2" x 8" constructions
- Selected models are available in project packs for contractor convenience
- Power Rating: 120/60
